

# Tulsa Amateur Radio Club

First monthly meeting of this New Year

Monday, January 8, 1968, 7:30 P.M. C.S.T.  
at Radio, Inc., 1000 South Main, Tulsa, OK 7a.

New officers, New Year, New resolutions?

One thing that is definitely in the plans for this new year is a bison & venison barbecue and outing for TARC members. This will be in April or May, Host & Hostess will be John Phillips (our new V. Pres.) and his wife, Gloria. Place -- Woolaroc Ranch.

Let's make this outing the first of other activities. How about a watermelon feed or an evening dinner for the family. Come to Monday's meeting with some new ideas as to what we can do, as a club, to upgrade our activities. Let your new officers know what you would like at future meetings.

Dues for membership in TARC are 3<sup>00</sup> per year. This is a bargain - - - let's make it even better.

Bring a friend - - - Door prize & refreshments
