

Tulsa Amateur Radio Club

Regular monthly meeting night

7:30 PM, C.D.T., Monday, June 10

Radio, Inc. --- 1000 S. Main

John Phillips, WA5TAV, reports that the rains have slowed road work at Woolaroc Ranch and that the barbecue will be most probably set for the month of August. Definite date to be selected and announced either at this meeting or in the July meeting notice.

The Electron Benders Radio Club is having an Auction on Saturday afternoon, July 13th

Rev. Adrian (Preacher) Rea, W5DRZ, has been re-assigned to Duncan, OK 7a.

Norm Smith, now XE ØEYK (EX-WØEYK) in Guadalajara, JAL, Mexico is active on both 15 & 20 meters. Keep an ear open for him.

Latest information on propagation affected by sun spot activity sets forth both 1968 & 1969 as peak years. So, look forward to great activity on both 10 & 15 meters in 1969 (a peak year).

Field Day activities will be discussed at this meeting. Come! Bring a friend!
