Transitional Meeting Dec. 16, 1980

Dale suggests having a TRS-80 computer demonstration in the future

Vernon brings up the idea of advertising used gear in the monthly bulletin.

Dale talked about computer logging in field day this year.

Don and Ernie talked about computerized rosters. Don would do this himself thru his company.

Dale discussed about bringing used gear for sale to field day.

All talked about displaying the QST flag at the meetings

Vernon brung about the idea of "a Presidents Letter" in one of the bullentins

We need to contact "Ma Bell" about demonstration on fiber optics
(for a June, July, or Aug meeting)

Maybe presentations on SSTV, RTTY, and other modes.

Discussion about a possible "10 metr net"

Talked about club affliation with the ARRL. Might need to fill out a form or send a letter to the League.

Discussed about printing "license expiration dates" in the bulletin.

Discussed sending a "form" in with the bulletin so the club can obtain info about each member.

Talked about new chairs at the meeting.
