

The special committee on membership met at noon on January 30, in the home of Tom Stough. After considerable deliberation on various suggestions made during the January meeting, the committee would like to make the following recommendations:

1. The establishment of an activities and program committee either separately or under the direction of the club vice-president
2. The establishment and implementation of a process for sanctioning various courses of study leading to obtaining an amateur radio license
3. The establishment or activation of a new non-ham operator membership in accordance with the club's by-laws or in conjunction with by-law changes if necessary
4. The implementation of a program of individual personal assistance to persons studying for FCC examinations with emphasis on obtaining the novice class license
5. The establishment of a Saturday morning slow speed C.W. net on 80 meters at 3.720 MHz with an opening time of 10A.M
6. The establishment of a Tuesday evening voice net on 10 meters at 28.550 MHz with a net opening time of 7:30 P.M. The second Tuesday of each month is exempted due to club meetings which are scheduled during this time. A control would be needed to open the net.
7. The encouragement of the membership to submit short items and articles of news and interest to club members for publication in the news letter.
8. That the formal portion of the monthly meeting start and end promptly at the appointed time

The committee, composed of Tom Stough, WBOGLX; Taylor Brown, WB5FBC; David Cox, KA5MSV and Bill Foster, KA5LIH, hereby submit this report for your consideration.
