

The Tulsa Amateur Radio Club meeting was held on July 13, 1982 in the amateur radio room of Radio Inc. The meeting was called to order at 7:55 by the president WA5SCN(Bill).

The minutes were read and approved.

A breakdown of Field Day activities showed the following:

80 meter band	8 contacts
40 meter band	119 contacts
15 meter band	160 contacts
10 meter band	7 contacts

Thirteen operators signed in. The technician class operators were the most active. N5EGC(Dan) made the most contacts. The attractive club flag which was designed by KA5MSV(David) was flown for the first time at the Field Day site.

Speaking for the activities committee, KA5LIH(Bill) suggested that the club, with the approval of KRMG radio, have a QSL party on the sixth of September to celebrate the seventy fifth anniversary of statehood as well as the tenth annual Raft Race. Program plans were proposed and discussed for upcoming meetings.

WD5GHC(Vern) stated that the first Thursday in October will be the opening date of the amateur radio class.

The magazine, "The Electric Technician" was recommended as having outstanding articles on amateur radio.

The door prize of a VHF -UHF manual was won by KA5LIH.

The meeting was adjourned at 9:10.
