We the undersigned, being officers of the above named club, and authorized to act on behalf of its members, do hereby formally submit application for Special Service Club status. We understand that this is not a contractual agreement, but rather a commitment between our organization and the ARRL to provide greater support for Amateur Radio.

As a Special Service Club or SSC applicant, we agree to carry out the responsibilities of such clubs and understand that the ARRL will honor its commitment to the program. In the case where differences prove to be irreconcilable after sincere extended effort at resolving them, either party of the agreement, the club or ARRL, may withdraw from a continuation of the agreement.
