Dear Dale:

Today I received a letter from Dave Cox, NB5N, Oklahoma ACC. He asked me to check into the SSC status of your club. Vicky, Club Program Assistant, found that we had held up processing your club's SSC Renewal Form because we also needed a 1986 Annual Club Report Form. Somehow your club's file got put in the wrong place, and when we received the Annual Club Report Form, we mistakenly filed it without processing your SSC Renewal Form. Please accept our sincere apologies for this mixup.

Vicky processed your club's SSC Renewal Form this afternoon, and our computer records are now updated and correct. You should still be receiving the ARRL LETTER. Please let me know if there are some SSC benefits your club is not receiving, and if so, I'll correct the situation. I've enclosed a copy of SSC benefits.

Best wishes for a great 1987 to you and all members of the Tulsa ARC.

73,

Lee Hayford
