

MINUTES  
TULSA AMATEUR RADIO CLUB  
General Meeting  
14 Apr 1987

1. The meeting was called to order at 7:09 PM by the President, Dan Kays, WD5CBW. There were 22 in attendance.

2. Secretary's and Treasurer's reports were read and approved.

OLD BUSINESS:

3. Hamfest:

a. (N5WX) Ron reported all was going smoothly. A request was made from the floor for more flyers to distribute, to which Ron replied that he had run out of flyers and would have to print more.

b. (N5ILN) Alan reported that he needed volunteers to help with communications during the Hamfest. A sign-up sheet would be passed after the break.

c. (N5FEB) Charlie asked for help at the door. Alan said he would put both door and communications slots on the same sign-up sheet.

4. Field Day: After some preliminary discussion, N5ILN volunteered as Field Day chairman. Immediately after, WB5OSM volunteered to help Alan where possible. WD5CBW and WB5CDW would look into AC Power, and NJ5Z would see if he could get permission to use W5OK as the club call again this year. Proposed site for operation would be the Keystone Dam overlook.

NEW BUSINESS:

5. Novice/Tech/General class (WB5OSM): Merlin reported that a class was tentatively scheduled to start on 22 April at the Red Cross, meeting Wednesday nights for eight weeks. The only fees charged would be for purchase of books.

6. The program for the night was a BARRC videotape of their Special Olympics operation. Presented by Larry, NF5M.

7. Door Prizes (courtesy W5ATB and Radio, Inc.):

"ARRL Operating Manual" - N5ILN

"Yagi Antenna Design" - KA5VIL

8. Having no further business, the meeting was adjourned at about 8:50 PM, with the next regular meeting scheduled for 12 May 1987.

Respectfully submitted this 12th day of May, 1987;

*anw jr*
