

The Tulsa Amateur Radio Club met for the June session at the Red Shield Boys Club, in Tulsa, Oklahoma, at 7:00 pm, with Pres. Charlie Kays presiding and the following officers present; Bill Moore, Vice Pres, Fritz Freeman, 2nd Vice Pres. and editor; Wayne Price, Secretary and Carrie Price, Treasurer.

Names & Call signs were given by all as introduction, with 21 members present. The minutes of the May meeting were accepted as read. Treasurer report was approved and seconded. Carrie Price, Treasure informed the club that badges can now be ordered and a sample badge was circulated for all to see. There is about 2 week turnaround time for the orders.

Charlie Kays, Pres, reported that, at Green Country Hamfest, all tables were sold out and its very likely that next year we'll ^{possibly} need the larger IPE building. This years total attendance was 886, with 456 pre-registers.

Merlin Griffin, WB5OSM, stated the attendance at most of the demos & forums was good to excellent. The one place we can improve next year is, possibly a bigger and more accessable test room and also combine the microwave forum with a VHF-UHF meet. There were 35 liscense upgrade applicants and nearly all passed. The Foxhunt was challenging and we can thank the TRO club for help with the prizes of the hunt. The ARRL tabe sold over 200 in materials despite being manned only part-time. There are ideas ^{to} next year National Weather Service and Don Devore the meteoroligist to give a seminar.

Charlie acknowledged Merlin, Carol Gamel, Carrie Price, Fritz Freeman, and the Hospitality crew for their individual and combined efforts to make Green Country Hamfest the great success it was with All the other Clubs of the communities coming together in unity and, it produced the best Hamfest yet.

Ernie Buck presented for all, the pre-registration forms for the upcoming West Gulf Division Convention and CORA Ham Holiday '89, held at Lincoln Plaza Hotel and Convention Center, in Oklahoma City, OK., July 28-30, 1989.

Larry Crutcher, Field Day chairman, reported, that we have secured our usual Field Day Club Call sign W5OK. He read the pertinent F. Day rules and regs and reminded all that everyone is welcome. Persons interested can bring their tents and family and make it a outing. He asked that the Corps of Engineers rules be observed, as we have an excellent relationship with them. Also, the local media will be on site for a report. Larry thanked Amoco and Ernie Buck for once again loaning that companies portable generator, for F. Day. Our club will have the Kenwood Twins there, and Jim Clifford will have a QRP rig active. Larry will bring his portable generator and trailer-tower.

Charlie brought for discussion the idea that some members have suggestions regarding our club meeting place. He opened the floor for discussion, at which time it was asked how we could do as TRO did to procure the VO-Tec building. That was described as simply getting our name on a very long waiting list. Upon further discussion all agreed to start looking for alternative sites and report back at next months meet. Motion made and seconded.

Charlie reports that recently individuals have been heard using Bogus call signs and confronted, in hopes that will stop it. The source of West Tulsa interference has had Official notice served him, and it should remedy that situation. Charlie asks, if you hear any nonsense or interference on the air; give him a call, or report to Bill Goswick, our Official Observer for this area along with Rich Beatty, his assistant. No further business before the club it was moved and seconded to adjourn: Meeting Adjourned. J. Wayne Pura (SEC)
