

April 15, 2024

Mr. Mark Adams, President
Tulsa Amateur Radio Club
1611 S Utica Ave., #178,
Tulsa, OK 74104-4909

Dear Mr. Adams,

I am writing to congratulate everyone at the Tulsa Amateur Radio Club (TARC) as you celebrate your 100th anniversary. This remarkable achievement is reflective of the dedication to service exhibited by the Club! The Tulsa Health Department (THD) is very pleased to partner with you in serving the citizens of Tulsa.

Since its establishment in 1950, THD serves as the primary public health agency to more than 675,000 Tulsa County residents. THD's mission is to improve the health and well-being of all Tulsa County residents, while striving to make Tulsa County the healthiest county in the country. We know the healthier the community, the more resilient the community will be. As you know, Oklahoma is no stranger to disasters, therefore, we recognize and place great value on emergency communications during disasters. This is where our partnership with the TARC is most critical. We are very thankful for TARC's forward-thinking dedication to planning and preparations to provide communications during a wide range of disasters. However, we are most thankful for their strong commitment to the community.

On behalf of The Tulsa Health Department, we want to congratulate you on your incredible 100th anniversary. We wish you continued success and growth. Your service to Tulsa is something you can be proud of and one that deserves to be acknowledged and praised.

Warm regards,

Bruce Dart, PH.D., Executive Director
Tulsa Health Department
