

Dear Trail Life Group,

On behalf of the Tulsa Amateur Radio Club (TARC), I want to extend our heartfelt thanks for allowing us to partner with you as you worked toward your Communications Technology Trail Award. It was an absolute pleasure to share our knowledge and passion for ham radio with such an enthusiastic and attentive group of young men.

We were truly impressed by the boys' engagement, positive attitudes, and curiosity throughout the sessions. Their eagerness to learn and the effort they put into each activity were a testament to their commitment to excellence. It was inspiring to see their focus and teamwork in action, and we have no doubt that their enthusiasm will serve them well as they continue their Trail Life journey.

Thank you again for the opportunity to be a part of this rewarding experience. We look forward to future opportunities to collaborate and to supporting your group in any way we can. Please don't hesitate to reach out if there's ever a way TARC can assist again.

Wishing you all continued success in your endeavors with this group!

Warm regards,
